Loving You Is Easy

Union J

We were lost in the middle
Like bottles in the ocean
But we found one another
Like the answer to a question
Like words to a love song
Like a river to the red sea
Finding you is so hardBut loving you is easy
Loving you is easy, loving you is easy
Finding you is so hard
Loving you is easy[Instrumental]We were lost in the middle
Like bottles in the ocean
But we found one another
Like the answer to a question
Like words to a love song
Like a river to the red sea
Finding you is so hardBut loving you is easy
Loving you is easy, loving you is easy
Finding you is so hard
But loving you is easyLoving you, I've been loving you
Loving you, I've been loving you
Loving you, I've been loving you
Loving you, I've been loving you
Loving you, I've been loving you
Loving you, I've been loving youFinding you is so hardI think I've finally found the one
Here's come the change
I think the change has just begun
I'm not the same
I think I've finally found the one
Here's come the change
I think the change has just begun
I'm not the same
I think I've finally found the oneWe were lost in the middle
Like bottles in the ocean
But we found one another
Like the answer to a question
Like words to a love song
Like a river to the red sea
Finding you is so hard
But loving you is easy
