

# Let's Stop Playin'

## Ghostface Killah & John Legend

All I'm sayin', come here, lady  
I can't take it, let's stop playin'  
Oh, you know, you know  
I got no patience, I hate waitin'  
I can't take it, let's stop playin'  
Oh, you know, you know Yo boo, let's cut the crap, you know we like each other  
I been wanting you bad, yo, that's word to my mother  
I know you got a man and I'm involved  
But we can play this right, if we shuffle the cards I've been wanting you for mad years, when the elevators broke  
I run and help you with your bags upstairs  
I was scoping you out, today you was late to leave by 8  
With no time to be at work at 9 She'll be back by 6, son pissed you off I know  
When I spoke, yo, you didn't say shit  
But still you was looking mad cute to me  
With your lips poked out being rude to me You're still sexy, luscious and all them words  
Only girl in the building with a full length fur  
Had no choice to raise and press up explain how I feel  
It's only your love I want the best of All I'm sayin', come here, lady  
I can't take it, let's stop playin'  
Oh, you know, you know  
I got no patience, I hate waitin'  
I can't take it, let's stop playin'  
Oh, you know, you know I had a dream, yo, I seen you on the laundry mat  
Folding your clothes by the dryer, my drawers is wet  
So you passed me a Bounce one fell when I bend down  
And got up you start tonguing me down Butterflies ran across my stomach  
Didn't wanna put the fire out 'cause goddamn, I love it  
Moved the basket out the way, cleared the table  
Laid you down, my mouth slid past your navel Your feet had knocked over the Clorox bleach  
Held my head closer to you when my tongue got deep  
I'm saying we both of those, this how I feel  
If you don't want a part of me, it's no big deal But ma, I'm not here to game you, babe, I'm going on vibes  
Somewhere inside I know you feel the same  
It's alright tho you look like you know how to get it  
Here take my keys come upstairs in a minute All I'm sayin', come here, lady  
I can't take it, let's stop playin'  
Oh, you know, you know  
I got no patience, I hate waitin'  
I can't take it, let's stop playin'

Oh, you know, you knowLet's stop fakin', let's just go get naked  
No more discussion, we can get to kiss and huggin'  
My premonition told me I got what you're missin'  
So let's stop playin', baby girl, that's all I'mAll I'm sayin', come here, lady  
I can't take it, let's stop playin'  
Oh, you know, you know  
I got no patience, I hate waitin'  
I can't take it, let's stop playin'  
Oh, you know, you knowAll I'm sayin', come here, lady  
I can't take it, let's stop playin'  
Oh, you know, you know  
I got no patience, I hate waitin'  
I can't take it, let's stop playin'  
Oh, you know, you knowAll I'm sayin', come here, lady  
I can't take it, let's stop playin'  
Oh, you know, you know  
I got no patience, I hate waitin'  
I can't take it, let's stop playin'  
Oh, you know, you know
