# Summertime

## The Zombies

It's summertime and the living is easy
The fish are jumping and the cotton is high
Your daddy's rich and your mama's good looking
Would you hush, pretty baby, don't you cryOne of these mornings you're going to wake up singing
There you're going to spread wings and take to the sky
But till that morning ain't nothing, nothing going to harm you
With your mommy and daddy there standing byIt's summertime and the living is easy
The fish are jumping and the cotton is high
Your daddy's rich and your mama's good looking
Would you hush, pretty baby, don't you cry
