# Live to Tell the Tale

## Nightwish

A single grain can tip the scale
Amidst the burden, the scale will prevail
Showing whats worth being here
Storyteller by a hearth of stoneA white little creature purring me
My childhood kingdom gone in time
The islands filling my mind with blue
The one in special, heavens courtAll the joy unforgiven by this taskAn errant soul, homeless and foul
All gone but the will to live to tell the taleThe days are filled with anxiety
Frustration, one right note a day
Where to find a perfect tune
Just do the work and take a step backAll the joy unforgiven by this taskAn errant soul, homeless and foul
All gone but the will to live to tell the taleDark chambers of my mind
Locked around the neck of my love
None of you understand and it doesnt matter
To a broken marionette like me
(Me)An errant soul, homeless and foul
An errant soul, homeless and foul
All gone but the will to live to tell the, to tell the tale
