

Don't Say Goodbye

Jamestown Story

I've been hoping for some movement
from your lips but they're too chapped
for the words to come out,
you know the outcome so don't stall me now.
You've been holding all the cards
when I'm all in, my luck has turned into
painful dismay
but I can't walk away cause I need you,
yeah I need you. Don't say goodbye, don't say you tried
Don't say that you gotta walk away,
please don't talk this way
Don't say goodbye, don't say you tried
Don't say goodbye
This can't be goodbye I know everyone has had their emotions
ripped in half but what I'd like to know
is how I should live with your actions,
with your absence.
Is there something I can do to
remove the memories of you? Yeah
I want to believe, this will all go away
but I can't now, no I can't now. Don't say goodbye, don't say you tried
Don't say that you gotta walk away,
please don't talk this way
Don't say goodbye, don't say you tried
Don't say goodbye
This can't be goodbye God this hurts too much to breathe
when you're not here next to me.
God this hurts too much to breathe
I can't breathe, I can't breathe without you.... Don't say goodbye, don't say you tried
Don't say that ... Don't say goodbye, don't say you tried
Don't say goodbye Don't say goodbye, don't say you tried
Don't say that you gotta walk away,
please don't talk this way
Don't say goodbye, don't say you tried
Don't say goodbye
This can't be goodbye
