

Valerie

Reel Big Fish

Back when I met you
I didn't have a clue
Of the horrible agony
You would put me through But now that we've done some time
And I know who you are
You're so full of shit
How did I let it get so far? Well, you ruined my life
You were never my friend
And now all I can hope is
That I'll never see you again Valerie, you make me wish I was dead
Valerie, you're like a knife in my head, yeah
I'll never ever be the same
My life is ruined, you're to blame Every moment
Of the year we spent
You pushed me further
And further over the edge Maybe you didn't mean it
Maybe you're sorry as well
But I know that you are evil
You came straight out of hell Well, you wasted my time
All of my money too
And I never really hated
Until I met you Valerie, you make me wish I was dead
Valerie, you're like a knife in my head, yeah
I'll never ever be the same
My life is ruined, you're to blame Valerie
(Valerie)
Valerie
(Valerie) Well, you ruined my life
You were never my friend
And now all I can hope is
That I'll never see you again Valerie, you make me wish I was dead
Valerie, you're like a knife in my head, yeah
I'll never ever be the same
My life is ruined, you're to blame
Yeah, yeah, yeah Valerie, yeah, yeah, yeah, yeah
I'll never ever be the same
My life is ruined you're to blame
