

# Paradox (remix single edit)

## Hawkwind

The story that I'm telling you  
Something that you can do  
Ask yourself and try to find the answer  
See the signs they're always there  
But you know you never care  
You're always looking for another reason  
Try to reach it's not too far  
See it as you really are  
Ask yourself to try and find the answer  
Always, always it's the same thing  
Try it, try it, you just can't win  
Circles, circles spinning round  
People, people always bring you down and down  
Round and round you go
