

Hold Me, Love Me

Buddy Stuart

Hold Me, Hold Me
Love Me, Love Me
Tell me your mine never more
Life is a pure gold
When you have someone to hold
Someone you're really adore.

Hold Me, Hold Me
Love Me, Love Me
Kiss me and tell me your mine
Kiss isn't a sweet when your lips at your mead
Are as sweet as grapes on the veins.

Hear me along
Life is a song
Kiss me and hold me tight
You are ahead of mine
And mine is yours
Dance away into night

Hold Me, Hold Me
Love Me, Love Me
Tell me your mine never more
Life is a cheat
And over the treat
To have someone like you to adore.

Hear me along
Life is a song
Kiss me and hold me tight
You are ahead of mine
And mine is yours
Dance away into night

Hold Me, Hold Me
Love Me, Love Me
Tell me your mine never more
Life is a pure gold
When you have someone to hold

Someone you're really adore.

Hold me and love me once more

Hold me and kiss me once more

Hold me and love me once more
