Midnight Kiss

Hudson Moore

Friday night 2am I can't seem to get you off my mind again leaves are fallin on the ground I see your face all over town where did I go wrong cuz all summer long it was your cherry red lips my hands on your hips sneaking out for that midnight kiss two hearts on fire your love and my desire just wishing it would never end donâ€™t tell me it's over out the door headphones on playin all your favorite songs we listened to when I first held you thinkin bout the summer nights you and me watching airplanes fly in that southern sky it was a late July yea it was your cherry red lips my hands on your hips sneakin out for that midnight kiss two hearts on fire your love my desire just wishing it would never end donâ€™t tell me itâ€™s over donâ€™t tell me itâ€™s over timeâ€™s a funn canâ€™t get back in the first love itâ€™s a feelin like I never had when I close my eyes and see you standing there in a white dress in the sunset in my head and I said your cherry red lips my hands your hips sneaking out for that midnight kiss two hearts on fire your love and my desire just wishing it would never end donâ€™t tell me itâ€™s over donâ€™t tell no
