Illusions

Shout Out Louds

Let's pretend I'm the new lover,
I'm a stranger not yet discovered,
I'm the voice and the solution
nine more cause and I'm an illusion
Illusion illusion
Illusion illusion
So let's pretend they mean something
I'm still under their skin they're still wearing me in
under tongue and new language you master,
closing in on the wall now, faster and faster.
Illusion illusion
Illusion illusion
A heart is what a heart is
it won't forget where we came from
and when I walked down the line, I'm walking with you
I give what I can get, enough should be enough
and at the end of the line I know, I'll still be with you.
Don't ever mind the current tonight it's swim most sing tonight
no one you think,
but did you know when you're not in the crowd
I think I'm gone lying
Every time I blame
Illusion illusion (every time)
Illusion illusion (illusion)
Illusion illusion, (oh)
A heart is what a heart is

it won't forget where we came from
and when I walked down the line, oho
I'm walking with you
I give what I can get
enough should be enough
and at the end of the line I know
I'll still be with you.
A heart is what a heart is
it won't forget where we came from
and when I walked down the line, oho
I'm walking with you
I give what I can get

enough should be enough
and at the end of the line I know
I'll still be with you.
A heart is what a heart is
it won't forget where we came from
and when I walked down the line, oho
I'm walking with you
I give what I can get
enough should be enough
and at the end of the line I know
I'll still be with you.
