Grand Theft Autumn / Where Is Your Boy

Fall Out Boy

Where is your boy tonight?
I hope he is a gentleman
And maybe he won't find out what I know
You were the last good thing about this part of townWhen I wake up
I'm willin' to take my chances on
The hope I forget that you hate him
More than you notice I wrote this for youYou need him, I could be him
I could be an accident but I'm still tryin'
And it's more than I can say for himWhere is your boy tonight?
I hope he is a gentleman
And maybe he won't find out what I know
You were the last good thing about this part of townSomeday I'll appreciate in value
Get off my ass and call you
In the meantime I'll sport my brand new fashion
Of waking up with pants on at 4 in the afternoonYou need him, I could be him
I could be an accident but I'm still tryin'
And it's more than I can say for himWhere is your boy tonight?
I hope he is a gentleman
And maybe he won't find out what I know
You were the last good thing about this part of townWon't find out
(He won't find out)
Won't find out
(He won't find out)Where is your boy tonight?
I hope he is a gentleman
And maybe he won't find out what I know
You were the last good thing about this part of townWhere is your boy tonight?
I hope he is a gentleman
And maybe he won't find out what I know
You were the last good thing about this part of town
