Friend Of Mine

EVE 6

Are you feelin' that your on the brink
Of spilling some rand in the sink
It wasn't the easiest year
No I don't want you to goAre the memories too hard to take
Rape is a word with a face
No I don't want you to go
You know I don't want you to goFriend of mine stay alive
Don't you leave me here
All alone in a world with a chronic tear
I will always be here, I will always be here
I will always be here for youWe walked the promenade in the rain
With Velcro shoes and an ice cream stain
You're the only one who understands
Remember the place that direction you wake
And help save your generationNo I don't want you to go
You know we don't want you to goFriend of mine stay alive
Don't you leave me here
All alone in a world with a chronic tear
I will always be here, I will always be here
I will always be here for youDon't look back
The past is just that
We are we are we are we are, awakeFriend of mine stay alive
Don't you leave me
Friend of mine stay alive
Don't you leave me
I will always be here
I will always be hereFriend of mine stay alive
Don't you leave me here
All alone in a world with a chronic tear
I will always be here, I will always be here
I will always be here for you
