

# Bad Girls

MKTO

Late night, she on fire  
Calling me from numbers I don't recognize  
Wonderin' if there's somebody else in the room  
She say that I'm crazy, nah baby it's you  
Shows up, to fill 'er cup  
I know all she wants is just to get my love  
I wish we could be just like Johnny and June  
She cut out my heart and left me in the room And I know I, I should quit her  
And I'd do it if I could  
She a hot mess, but I confess  
Damn, she got me good 'Cause I love them bad girls doing bad things  
Lookin' hot with an attitude  
Love them bad girls like a bad dream  
Shouldn't want them, but I do  
Singing (oooh, oooh)  
All the bad girls singing (oooh, oooh)  
Yeah, all the bad girls singing  
And I can't help it, no  
Damn, it feels good when you're messin' with a bad girl She got a body like a fast car, movie star  
I'd do anything to be her bodyguard  
She like getting naked and swimmin' in pools  
She make it look sexy to break all the rules  
Fallin' too fast and I might crash  
But once you goin' body, you know you can't go back  
I just wanna watch every way that she moves  
'Cause she out on the edge like there's nothing to lose I love them bad girls doing bad things  
Lookin' hot with an attitude  
Love them bad girls like a bad dream  
Shouldn't want them, but I do  
Singing (oooh, oooh)  
All the bad girls singing (oooh, oooh)  
Yeah, all the bad girls singing  
And I can't help it, no  
Damn, it feels good when you're messin' with a bad girl She bad  
She got my number  
So hot she hotter than Vegas in August, Donna Summer  
High class under the covers  
Wakin' up, we so sticky, we stuck to one another She gets what she wants, she takes what she needs  
She all over me

She kinda mean but ain't a problem to me  
A little bit of hell, but she got me in heaven  
She my bond girl, I'm MKT-007(Bad girls)  
(Bad girls)I love them bad girls doing bad things  
Lookin' hot with an attitude  
Love them bad girls like a bad dream  
Shouldn't want them, but I do  
Singing (oooh, oooh)  
All the bad girls singing (oooh, oooh)  
Yeah, all the bad girls singing  
And I can't help it, no  
Damn, it feels good when you're messin' with a bad girl
