

# Best Intentions

## Cartel

I?ve been, wondering how  
It?s been years, oh yes three years now  
Since I have found what I?m looking for  
Since I have found what I was before  
Look at me now, I?m screaming  
I?m crying out while I?m reeling  
From jilted ambitions  
Oh, I?ve got the best of intentions  
And now I can?t stop shaking  
Because my will is breaking  
Fallen to pieces, still I can?t find the reason  
To get me out of this place  
Better off now in the worst ways  
Fallen to pieces, maybe it?s just what I needed  
To get out of my own way  
Better off now than the first place  
I?ve been walking around,  
With my head stuck up in the clouds  
So sick and tired of being  
So sick and tired of this feeling  
Look at me now, I?m screaming  
I?m crying out while I?m dreaming  
Of lofty ambitions  
But I have the best of intentions

And now I can?t stop shaking  
Because my will is breaking  
Fallen to pieces, still I can?t find the reason  
To get me out of this place  
Better off now in the worst ways  
Fallen to pieces, maybe it?s just what I needed  
To get out of my own way  
Better off now than the first place  
If there's a lesson in the fall  
Then why do I care at all  
I just can?t seem to recall  
What I intended all along  
Fallen to pieces, still I can?t find the reason  
To get me out of this place

Better off now in the worst ways  
Fallen to pieces, still I can't find the reason  
To get me out of this place  
Better off now in the worst ways  
Fallen to pieces, maybe it's just what I needed  
To get out of my own way  
Better off now than the first place  
Better off now in the worst ways  
Better off now than the first place
