

# When I'm Gone

## Simple Plan

I look around me but all I seem to see  
Is people going nowhere expecting sympathy  
Its like were going through the motions of a scripted destiny  
Tell me, wheres our inspiration? If life wont wait I guess its up to me  
Whoa! No, were not gonna waste another moment in this town  
Whoa! And we wont come back, the world is calling out  
Whoa! Leave the past in the past, gonna find the future  
And misery loves company, well so long  
Youll miss me when Im gone  
Youre gonna miss me when Im gone  
Procrastination running circles in my head  
While you sit there contemplating youre wound up left for dead  
Life is what happens while youre busy making your excuses  
Another day, another casualty but that wont happen to me  
Whoa! No, were not gonna waste another moment in this town  
Whoa! And we wont come back, the world is calling out  
Whoa! Leave the past in the past, gonna find the future  
And misery loves company, well so long  
Youll miss me when Im gone  
Youre gonna miss me when Im gone  
Youre gonna miss me when Im gone  
When Im gone, lets go!  
Wont look back when I say goodbye  
Im gonna leave this hole behind me, gonna take whats mine tonight  
Cause every wasted day becomes a wasted chance  
Youre gonna wake up feeling sorry cause life wont wait  
I guess its up to you  
Whoa! No, were not gonna waste another moment in this town  
Whoa! And we wont come back, the world is calling out  
Whoa! Leave the past in the past gonna find the future  
And misery loves company, well so long  
Youll miss me when Im gone  
Youre gonna miss me when Im gone  
Youre gonna miss me when Im gone  
Youre gonna miss me when Im gone  
Youre gonna miss me when Im gone
