You Are Good

Todd Agnew

And I need some substance in this relativistic world
I need some truth in the middle of all these lies
And I need some comfort to wipe away these tears
And I need someone to tell me there's more to this lifeAnd You are the Truth and You are the Life
And You are more than I ever dreamed
And You are the Door through which I find
You are all that I'll ever need and You are GodAnd I need some wisdom to choose which way to walk
And I need some strength to take this very step
And I need some faith to help these blinded eyes to see
I need something more than everything inside of meAnd You are the Truth and You are the Life
(You are the Way)
And You are more than I ever dreamed
And You are the Door through which I find
(You are the Vine)
You are all that I'll ever need and You are GodYou are the Truth, You are the Life
And You are more than I ever dreamed
And You are the Door through which I find
(You are the Vine)
You are all that I'll ever need and You are God(You are)
And You are God
(You are)
And You are
