Gold Digger

Glee Instrumental

Ow, Track-stars woo, hey DTP
Let's go
She's dangerous
(Uh huh)
Super bad
(Okay)
Better watch out, she'll take ya cash
She's a gold digger, she's a gold digger
She's dangerous
(Alright)
Super bad
(Uh huh)
Better watch out, she'll take ya cash
She's a gold digger, she's a gold digger
Yeah, she's a money magnet, smell a dollar bill in ya clothes
Gold digger style from her head to her toes
You here me saying no don't mess with the stress
She's out to get ya dough, none more, none less
She's lookin' for a prize, man, you killing me
Acting like you don't see the dollar signs in her eyes
She wants her nails done, and her hair too
Plus a diamond necklace, that's all on you
You still can't see it? Yeah, you a sucka
If you do it homeboy, man, I couldn't be it
Hypnotized by her good looks?
Yeah maybe, but a victim for a good crook? Nope not me
Consider yourself worn so you can stay
Or you can stick to my rhyme and get the heck away
Either way, go figure, she's a gold digger
Gettin' close as your bank row grows bigger
She's dangerous, super bad
Better watch out, she'll take ya cash
She's a gold digger
She's a gold digger
She's dangerous
(Uh huh)
Super bad
(Okay)
Better watch out, she'll take ya cash

She's a gold digger, she's a gold digger
She's dangerous
(Alright)
Super bad
(Uh huh)
Better watch out, she'll take ya cash
She's a gold digger, she's a gold digger
You gotcha way with a beauty, a treat with a brain
When she look at you, she only see ching-ching
Mil around your neck, mil around your arms
A championship ring, she must be a bowla hard
She turns on the leader, as soon as you need her
Once you bite the bait, you look mighty thico
When money talks, she ticks like F.B.I
Ready to handcuff the right guy
Look you in the eye, and tell a boldface lie
Scheming on the way to money, yo, well ya tried
Guess it's a game now, gotta watch who you trust
Like her because, it's only out for your books
Ye sir, she's all about being paid
At the end of everyday it's a fine new grade
What more can I say? But the wires up front
Better watch out, she'll leave ya with insuffiant
She's dangerous
(Uh huh)
Super bad
(Okay)
Better watch out, she'll take ya cash

She's a gold digger, she's a gold digger
She's dangerous
(Alright)
Super bad
(Uh huh)
Better watch out, she'll take ya cash
She's a gold digger, she's a gold digger
She's dangerous
(Uh huh)

(Okay)
Better watch out, she'll take ya cash
She's a gold digger, she's a gold digger
She's dangerous

She's a gold digger, she's a gold digger
She's so physical
I say movie stars, you better watch your back
She'll be spending up your check
Oh yeah, for the growin', just won't stop
Will be rotting in your eyes
She's a gold digga, gold digga, gold digga yeah
She's dreaming scheming on a way to get your dough
She hit the lottery, now hit the flow, you just don't know
Because you got got and that's for sho'
Oh yeah, she's a superstar chick
But don't fool with her unless you got miles of risk
She's a pimpstress runnin' more game than the Olympics
To cease your assests like the I.R.S
Aha, uh uh huh
She's dangerous
(Uh huh)
Super bad
(Okay)
Better watch out, she'll take ya cash
She's a gold digger, she's a gold digger
