# Pursuit

## In Fear and Faith

Look around you
Will they find you?
Yes, they found you
Now they found you
Do they call you?
Will they call you
Yes they call you
Now they call you

Look around you
Will they find you?
Yes, they found you
Now they found you
Do they call you?
Will they call you?
Yes they call you
Now they call you

Chase them down
Hunt them down
Chase them down
Hunt them down
Chase them down
Hunt them down
Chase them down
Pursuit!

Look around you!
Will they find you?
Yes, they found you!
Now they found you!
Do they call you?
Will they call you?
Yes they call you!
Now they call you!

Look around you
Will they find you?
Yes, they found you
Now they found you

Do they call you?
Will they call you?
Yes they call you.
Now they call you!

Chase them down
Hunt them down
Chase them down
Hunt them down
Chase them down
Hunt them down
Chase them down
Pursuit!

Look around you
Will they find you?
Yes, they found you
Now they found you
Do they call you?
Will they call you?
Yes they call you.
Now they call you!

Look around you
Will they find you?
Yes, they found you
Now they found you
Do they call you?
Will they call you?
Yes they call you.
Now they call you!

Chase them down
Hunt them down
Chase them down
Hunt them down
Chase them down
Hunt them down
Chase them down
Pursuit!

Chase them down
[Chase them down]
Hunt them down
[Hunt them down]

Chase them down
[Chase them down]
Hunt them down
[Hunt them down]
Chase them down
[Chase them down]
Hunt them down
[Hunt them down]
Chase them down
[Chase them down]

Pursuit!

[Yes they call you
Now they call you
Yes they call you
Now they call you
Yes they call you
Now they call you
Look around around you
Will they find you?]

Hunt them down!
Chase them down!
Hunt them down!
Chase them down!
Hunt them down!
Chase them down!
Hunt them down!
Chase them down!
Pursuit!
