

Outta Beer (Bonus)

Nowherebound

Outta Beer

Iâ€™m outta beer again, and I ainâ€™t got no friends.
Iâ€™m going to the store, just to steal some more.
I saw you buying rice. I thought your ass looked nice.
Maybe with a little luck, weâ€™ll go home and fuck.

Whoa.

Why canâ€™t we just go home and fuck?

We started doing shots. The more I drank, the hotter you got.
You took me to you bed, but I just got sick instead.
While I was throwing up, you held my Mohawk up.
Iâ€™ve never been in love, and I just wanna fuck.

Whoa.

Why canâ€™t we just go home and fuck?

I had too much to drink. I took a piss in your sink.
And then I hit the floor, and I donâ€™t remember no more.
Maybe Iâ€™ll see you again, over there on aisle 10,
And with a little luck, weâ€™ll actually get to fuck.

Whoa.

Why canâ€™t we just go home and fuck?
