

This Ain't Pleasure

L7

No raving beauty
But she's got a good heart
He's got escaping
Down to an art This ain't pleasure
Don't ask why
This ain't pleasure
And monkeys can't fly She's an infection
A stain on his soul
He's her addiction
They're out of control This ain't pleasure
Don't ask why
This ain't pleasure
And monkeys can't fly, oh no
