Aikea-Guinea

Cocteau Twins

When he pushes away
Like he's gonna have to make me
He gladdensWhen he pushes away
Like he's gonna have to make me
He gladdensOh, please, please
When he pushes away
Like he's gonna have to make me
Hehe, hehe, heheIt's so good to have a man
It's so good to have him, check him out
Saliva peeks from his trail
I gained a lot of advice from himIt's so good to have a man
It's so good to have him check him out
Saliva peeks from his trail
I gained a lot of advice from himOh, please, please
It's so good to have a man
It's so good to have him, check him out
At nightOh, please, please
It's so good to have a man
It's so good to have him, check him outWhen he pushes her back
Like he's gonna have to make me
Saliva peeks from his trail
I gained a lot of advice from himIt's so good to have a man
It's so good to have him, check him out
Saliva peeks from his trail
I gained a lot of advice from himWhen he pushes her back
Like he's gonna have to make me
Saliva peeks from his trail
I gained a lot of advice from himIt's so good to have a man
It's so good to have him, check him out
Saliva peeks from his trail
I gained a lot of advice from himOh, please, please
When he pushes her back
Like he's gonna have to make me
Please, pleaseIt's so good to have a man
It's so good to have him, check him out
My love
