Me and You Forever

Charlie Wilson

From the time you wake up in the morning
Way before the the sun starts rising
Open your eyes, you'll be smiling
Cause my love is here, at your door
Get there in a perfect time
Cause I don't want you feelin' lonely
No games, no lie, cause I'm aiming forMe and you forever
Am I asking for too much?
To be selfish with your love
'Til the end of time
Me and you forever
Oh, every day that turned to night
I will stay here by your side
Makin' the lovin' vibe foreverGirl, I wanna be that shoulder
You lean on when the world gets colder
Together we will grow a lil' older
I'm not goin' anywhere
We can ride on the wings of love
Flyin' high and the skies we're touching
You ain't gotta want for nothin'
Cause I'm aimin' forMe and you forever
Am I asking for too much?
To be selfish with your love
'Til the end of time
Me and you forever
Oh, every day that turned to night
I will stay here by your side
Makin' the lovin' vibe foreverAs long as you have me, I have you
We got everything we need
As long we agree, and we believe
We don't have to let go, no
Me and you foreverMe and you forever
Am I asking for too much?
To be selfish with your love
'Til the end of time
Me and you forever
Oh, every day that turned to night
I will stay here by your side

Makin' the lovin' vibe forever
