Total Eclipse Of The Heart

Jan Wayne

Turn around, every now and then I get a little bit lonely
And you're never coming round
Turn around,
Every now and then I get a little bit tired
Of listening to the sound of my tears
Turn around,
Every now and then I get a little bit nervous that the best of all the years have gone by
Turn around,
Every now and then I get a little bit terrified and then I see the look in your eyes
Turn around bright eyes,
Every now and then I fall apart
Turn around bright eyes,
Every now and then I fall apartAnd I need you now tonight
And I need you more than ever
And if you'll only hold me tight
We'll be holding on forever
And we'll only be making it right
Cause we'll never be wrong together
We can take it to the end of the line
Your love is like a shadow on me all of the time (all of the time)
I don't know what to do and I'm always in the dark
We're living in a powder keg and giving off sparks
I really need you tonight
Forever's gonna start tonight
Forever's gonna start tonight
Once upon a time I was falling in love
But now I'm only falling apart
There's nothing I can do
A total eclipse of the heartAnd I need you now tonight
And I need you more than ever
And if you'll only hold me tight
We'll be holding on forever
And we'll only be making it right
Cause we'll never be wrong together
We can take it to the end of the line
Your love is like a shadow on me all of the time (all of the time)
I don't know what to do and I'm always in the dark
We're living in a powder keg and giving off sparks
I really need you tonight

Forever's gonna start tonight
Forever's gonna start tonightOnce upon a time I was falling in love
But now I'm only falling apart
There's nothing I can do
Total Eclipse of the heart.
