

Total Eclipse Of The Heart

Jan Wayne

Turn around, every now and then I get a little bit lonely

And you're never coming round

Turn around,

Every now and then I get a little bit tired

Of listening to the sound of my tears

Turn around,

Every now and then I get a little bit nervous that the best of all the years have gone by

Turn around,

Every now and then I get a little bit terrified and then I see the look in your eyes

Turn around bright eyes,

Every now and then I fall apart

Turn around bright eyes,

Every now and then I fall apart And I need you now tonight

And I need you more than ever

And if you'll only hold me tight

We'll be holding on forever

And we'll only be making it right

Cause we'll never be wrong together

We can take it to the end of the line

Your love is like a shadow on me all of the time (all of the time)

I don't know what to do and I'm always in the dark

We're living in a powder keg and giving off sparks

I really need you tonight

Forever's gonna start tonight

Forever's gonna start tonight

Once upon a time I was falling in love

But now I'm only falling apart

There's nothing I can do

A total eclipse of the heart And I need you now tonight

And I need you more than ever

And if you'll only hold me tight

We'll be holding on forever

And we'll only be making it right

Cause we'll never be wrong together

We can take it to the end of the line

Your love is like a shadow on me all of the time (all of the time)

I don't know what to do and I'm always in the dark

We're living in a powder keg and giving off sparks

I really need you tonight

Forever's gonna start tonight
Forever's gonna start tonightOnce upon a time I was falling in love
But now I'm only falling apart
There's nothing I can do
Total Eclipse of the heart.
