At first, I didn't know, I didn't know it was love

I'm the fool, I liked you first, fell for you first

But still, the man should say it first

Don't act like you don't know when you do

Where are you looking, shiny boy

Only look at me

Look at my red heart shaking

Where are you going, misty boy

I keep falling for you

Take me to a secret, sweet dream

You're not the man I wanted right now

Don't look at me like that, you still don't know

If you're gonna confess, do it right

Don't hold back, be a man and tell me

Where are you looking, shiny boy

Only look at me

Look at my red heart shaking

Where are you going, misty boy

I keep falling for you

Take me to a secret, sweet dream

Dangerously, sweetly, electrically

Move my heart

So I can fly away like a balloon

Just Tell Me You Like Me

A miraculous Story

Like a beautiful old movie

Just Tell Me You Like Me

Keep telling me that you like me

I'll run to you right now

Where are you looking, shiny boy

Only look at me

Look at my red heart shaking

Where are you going, misty boy

I keep falling for you

Take me to a secret, sweet dream
