

# Cannonball (Dave AudÃ© Official Remix)

[Lea Michele](#)

Break down  
Break downBreak down  
I was scared to death I was losing my mind  
Break down  
I was scared to death I was losing my mind  
Break downI couldn't close my eyes I was pacing all night, oh, no,  
I think I found the light at the end of the tunnel (and my doubts)  
I couldn't find the truth I was going underBut I won't hide inside  
I gotta get out, gotta get out, gotta get out, gotta get out  
Lonely inside and light the fuse  
Light it now, light it now, light it nowAnd now I will start living today, today, today  
I close the door  
I got this new beginning and I will fly  
I'll fly like a cannonball, like a cannonball, like a cannonball  
I'll fly, I'll fly, I'll fly like a cannonballFreedom  
I let go of fear and the peace came quickly  
Freedom  
I was in the dark and then it hit me  
I chose suffering and in pain in the falling rain  
I know, I gotta get out into the world againBut I won't hide inside  
I gotta get out, gotta get out, gotta get out, gotta get out  
Lonely inside and light the fuse  
Light it now, light it now, light it nowAnd now I will start living today, today, today  
I close the door  
I got this new beginning and I will fly  
I'll fly like a cannonball, like a cannonball, like a cannonball  
I'll fly, I'll fly, I'll fly like a cannonballBreak down  
I was scared to death I was losing my mind  
Break down  
I gotta get out into the world againAnd now I will start living today, today, today  
I close the door  
I got this new beginning and I will fly  
I'll fly like a cannonball, like a cannonball, like a cannonball  
I'll fly, I'll fly, I'll fly like a cannonball, like a cannonball, like a cannonball  
I'll fly, I'll fly, I'll fly like a cannonball
