Old School

Anvil

Nowadays it's just not the same
Now they're playing a different game
I love to think about the things I miss
Sometimes I just like to reminisceLooking back - with no regret
Stay on track - I won't forget, I won't forgetOld school - embracing the past
Old school - only good things lastInnocence and sentiment
Are in permanent retirementStay on track - with no regret, I won't forgetIt's not that I like to live in the past
But some things just don't last
I remember how it used to be
I use the past to influence meLooking back - with no regret
Stay on track - I won't forget, I won't forget
