

# City Lights

## Bridgit Mendler

It's a long road  
And it gets winding  
Fog is real low  
And it's so blinding  
Oh, I'm trying to steer  
Trying to take the lead  
But I feel like  
The road is steering me  
Getting so lost  
Like a castaway  
Feeling so cross  
Like a renegade  
And I'm trying to call out  
In the big city  
Just a small voice  
And no one's listening to me  
Oh  
Tell me where to go  
Tell me that you know  
Just how bright I glow  
Every time that you think you've lost your shine  
Just remember nothing's brighter  
You're the city lights  
Every time that you fade into the night  
Just remember you're the fire  
You're the city lights  
That shine into the night, night, night, night, oh  
Shine into the night, night, night, night, oh  
Shine into the night, night, night, night, oh  
Shine into the night, night, night, oh, oh  
Oh, I'm blending in  
And I'm sticking out  
Like a sore thumb  
That they don't know about  
Wanna make peace  
Wanna just breathe  
Wanna be the light  
That makes them all believe

I'm the race car  
Not the spectator  
I'm the hero  
Not the narrator  
Hercules battling  
Conquering everything, yeah  
Oh  
Tell me where to go  
Tell me that you know  
Just how bright I glow  
Every time that you think you've lost your shine  
Just remember nothing's brighter (oh no)  
You're the city lights (you're the city lights)  
Every time that you fade into the night  
Just remember you're the fire  
You're the city lights  
That shine into the night, night, night, night, oh  
Shine into the night, night, night, night, oh  
Shine into the night, night, night, night, oh  
Shine into the night, night, night, oh, oh  
Everybody knows that everybody glows like the city lights  
Everybody knows that everybody glows like the city lights  
Everybody knows that everybody glows like the city lights  
Everybody knows that everybody glows like the city lights  
The city lights  
Oh, oh, oh  
Oh, oh  
The city lights  
Whoa, oh  
Every time that you think you've lost your shine  
Just remember nothing's brighter  
You're the city lights (you're the city lights)  
Every time that you fade into the night  
Just remember you're the fire  
You're the city lights  
That shine into the night, night, night, night, oh  
Shine into the night, night, night, night, oh  
Shine into the night, night, night, night, oh  
Shine into the night, night, night, oh, oh
