

# Sea Song (Edit)

## Doves

Drive with me  
Do the things you won't believe  
Drive with me  
Past the city and down to seaCrushin' dreams  
Leave me be, I cannot sleepDrown with me  
Past the city, down to sea  
Rush of dream  
Leave in peace, let me beOh, it's the pain  
It's ingrained in me  
Oh, I soothe my pain  
It's ingrained in me
