Unacceptable Song

Nicotine

Like a tiger in the darkness
We're always be alone
Never meant for you to be my friend
This is what we suppose to be (oh yeah)
What are you gonna do tomorrow?
Hard times will never go away
I heard your voice from the radio
Sorrowful your voice never stop, no never
Mom and dad never notice
What is happening to me?
The school always torments me
Like a little birdy in the cage
