Play With Fire

Hilary Duff

I can't believe it's really you, been so long, you look good
I hear you're doing really well, don't ask me, let me tell you
How I?ve been since when you left, since you left me for dead
Finally every tear has dried, I've wiped you from my life
Do you remember all the times you said you'd call me?
'Cause I remember all the reasons people warned me
And now I hear you?re saying that you still adore me
But if you think I'd ever get with you again then you can just
Love me, love me, feed the flame
If you want me back again
Burn to the sky, higher and higher
Baby, can you play with fire?
(Burn to the sky)
Love me, love me
(Burn to the sky)
If you want me
You never know just what you got till it's gone you freak out
But I?m not falling for that game, boys like you never change
You made me feel I wasn't enough, wasn't enough for your love
But it was insecurity that made you run, it wasn't me
So don't you sit there trying to give me more excuses
I don't have time for this, I'm off to play in Houston
And I?m too busy with a million things I'm doing
You can't make up for what you've done, you still try to be the one

Love me, love me, feed the flame
If you want me back again
Burn to the sky, higher and higher
Baby, can you play with fire?
(Burn to the sky)
Love me, love me
(Burn to the sky)
If you want me
Oh, by the way, by the way I found someone who gives me space
Keeps me safe, makes me sane, found someone to take your place
Now I am safe in his arms and I decided only he can play with fire
Love me, love me, feed the flame
If you want me back again
Burn to the sky, higher and higher

Baby, can you play with fire?
(I can?t believe it's really you)
Love me, love me
(I hear you're doing really well)
If you want me
(Finally every tear has dried)
Love me, love me
(Boys like you, boys like you)
Play with fire
