

Shopping

Candie Payne

Well you know that it's going to be alright
I think it's gonna be alright
Everything will always be alright
When we go shopping Well you know that it's going to be alright
When we go shopping
It's always la la la, shopping spree begin
La la la, everybody wins So shut up
And never stop
Let's shop
Until' we drop Well you know that it's going to be alright
I think it's gonna be alright
Everything will always be alright
When we go shopping It's always la la la
Shopping never end
La la la, shopping with our friends
Shopping once again It's always la la la
It's always la la la
It's always la la la
It's always la la la It's never enough
Until' you've got all the stuff
When the going gets rough
Just shop with somebody tough Well you know that it's going to be alright
I think it's gonna be alright
Everything will always be alright
When we go shopping Well you know that it's going to be alright
I think it's gonna be alright
Everything will always be alright
When we go shopping It's always la la la
When we go shopping
When we go shopping
When we go shopping It's always la la la
It's always la la la
It's always la la la
