This Train

Bunny Wailer

When I was just a kid, little children
My old man used to sing a litle song
But now I've grown to be a man
But it still lingers deep within my soul
Oh yes it lingers deep within my soulHe say now this train it is bound to glory, this train
This train it is bound to glory this train, this train
This train it is bound to glory, This train it don't carry no unholy
This train is bound to glory, this trainNow this train it don't carry no backsliders, this train
This train don't carry no backsliders, this train
This train it don't carry no backsliders this train only carrry JAH JAH children
this train it is bound to glory, this train
Play a little song for me----This train don't carry no unholy this train.
This train don't carry no unholy this train
This train it don't carry no unholy,
This train only carry the children of JAH
This train it is bound to glory, this trainThere's so many things to remember
So many things to forget
But these word they do linger deep within my soul
Lingers deep within my soulHe say now this train it is bound to glory, this train
This train it is bound to glory this train, this train
This train it is bound to glory, This train it don't carry no unholy
This train is bound to glory, this train(let me hear the choir sing)
This train
This train
This train (I don't wanna be late)
This train
This trainThis train is bound to glory
This train is bound to glory. Yau (repeat)(ADLIBBING),
I'll be turning back for no brother no sister
no friend no nothing at allI'll be crabbing the morning train
the evening train will be too late (repeat)Grab on brothers
Grab on sisters
Grab on mother
Grab on father
Grab on friend
