

# Coming Home

## Scorpions

Every morning when I wake up yawning  
I'm still far away  
Trucks still rolling through the early morning  
To the place we play  
Boy you're home, you're dreaming, don't you know  
The tour's still far away  
Boy you're home, you're dreaming, don't you know  
You're having just a break  
Dream we're going out on stage, it feels like  
Coming home again  
Dream we're going out on stage, it feels like  
Coming home again  
Dream we're going out on stage, it feels like  
Coming home again  
It's great to be here to see you all  
I know, for me it is like  
Coming home  
Day after day out on the road  
There's no place too far that we wouldn't go  
We go wherever you like  
To rock 'n' roll  
Jump on the seats, put your hands in the air  
Give me a shout, let me hear you're out there  
The wilder you scream for some more rock 'n' roll  
The higher we'll go  
Year after year out on the road  
It's great to be here to rock you all  
I know, for me it is like  
Coming home  
Like coming home
