Too Much Of Heaven

Eiffel 65

(chorus)
Too much of heaven can bring you underground
heaven ("yea")
can always turn around
too much of heaven ("heaven") our life is all hell bound
heaven (yea) the kill that makes no sound
(repeat) (""add 2nd time)
you still talk about money that's right and too much of heaven
come on my friend
let me tell you what its all about
it called money dependents today
if people just keep going on looking at the dollar bill nothing else around them
no love and no friendship nothing else just the dollar bill going on into there pockets
into there bank accounts and too much of heaven bringing them underground
let me tell you what its all about
it called money dependents today
if people just keep going on looking at the dollar bill nothing else around them
no love and no friendship nothing else just the dollar bill going on into there pockets
into there bank accounts (much) (echo x6)
(Chorus)
Too much of heaven can bring you underground
heaven (yea)
can always turn around
too much of heaven (heaven) ("too much of heaven") our life is all hell bound ("woohoo")
heaven (yea) the kill that makes no sound
(x2repeat) ("" add 2nd time)
you still talk about money that's right and too much of heaven
come on my friend
let me tell you what its all about

it called money dependents today
