

# A Marshmallow World

Brenda Lee

It's a marshmallow world in the winter  
When the snow comes to cover the ground  
It's the time for play, it's a whipped cream day  
I wait for it the whole year around Now those marshmallow clouds being friendly  
In the arms of the ever green trees  
And the sun is red like a pumpkin head  
It's shining so your nose won't freeze Oh, the world is your snowball, see how it grows  
That's how it grows whenever it snows  
The world is your snowball just for our soul  
So get up and roll it along It's a yummm yummy world, made for sweet hearts  
Take a walk with your favorite guy  
It's a sugar date, what a spring is late  
In winter it's a marshmallow world It's a marshmallow world in the winter  
When the snow comes to cover the ground  
It's the time for play, it's a whipped cream day  
I wait for it the whole year around Those marshmallow clouds being friendly  
In the arms of the ever-green-trees  
And the sun is red like a pumpkin head  
It's shining so your nose won't freeze Oh, the world is your snowball, see how it grows  
That's how it grows whenever it snows  
The world is your snowball just for our soul  
You better get up and roll it along Oh, it's a yummm yummy world, made for sweet hearts  
Take a walk with your favorite guy  
It's a sugar date, what a spring is late  
In winter it's a marshmallow world It's a marshmallow world  
It's a snow covered world  
It's yummy, yummy world  
It's a marshmallow world
