

# Overweight Karate Kid

## Soulwax

Like an overweight karate  
kid you could moonwalk over my heart  
using candour as painkiller  
tastes like vanilla to me  
occasionally  
someone please make go home, I'm  
the worst at being alone  
just tell me I ought to watch  
INFOMERCIALS FOR LOVE  
and buy all of their trust  
saturdays have shown us I'm not  
the world's most talkative guy  
you say it's fine  
but I can always try and answer  
with amplified anger, and  
then cry inside  
someone please make go home, I'm  
the worst at being alone  
just tell me I ought to watch  
INFOMERCIALS FOR LOVE  
and buy all of their trust
