

Can You Get to That

Funkadelic

I once had a life or rather
Life had me I was one among many
Or at least I seemed to be
then I read an old quotation in a book just yesterday said you gonna reap just what you sow the debts you make
you have to pay
Can you get to that?
Can you get to that?
I want to know if you can get to that
Can you get to that?
I want to know if you can get to that
I recollect with mixed emotions all
The good time we use to have we use to have
But you were making preparations for the coming separation and you blew everything we had
Well you placed your life on credit and your lovin' days are done
The checks you signed with love and kisses later come back signed insufficient funds
Can you get
I want to know if you can get to that
Can you get
Can you get
I want to know if you can get to that
Can you get
I want to know if you can get to that
Can you get
I want to know if you can get to that
Can you get
I want to know if you can get to that
Well you placed your life on credit and your lovin' days are done
The checks you signed with love and kisses later come back signed insufficient funds
Can you get
I want to know if you can get to that
Can you get
I want to know if you can get to that
Can you get
I want to know if you can get to that
