Love Is Waiting

Sergio Mendes

Love Is Waiting
Fire like smoke
I remember when our hearts were restless and bored
shining moment in the sun
when we were young
Drawing you near
we were much too young to know the meaning of fear
Feel that longing for again
it's not the end
I'd run as swiftly as the wind
if love was waiting somewhere for meFire in my eyes
wait to call you up my body trembles inside
You know after all these years
you're so near
chances that we take
just to hear your voice
Has it really been that long
Since you've been gone
I'd run as swiftly as the wind
if love were waiting somewhere for me
|Fly to the moon and back again
if love was waiting somewhere for me
