

# Funny How Little Men Care

Mark Lindsay

He doesn't see her and she gets by  
He doesn't see her and he doesn't try  
She goes on living and he's never there  
Isn't it funny how little men care?  
She calls her mama and talks for a while  
She talks to mama pretending to smile  
She watches tv and sleep in her chair

Isn't it funny how little men care? She gave her youth to him without thinking twice  
Then he walked out on her, and ruined her life

I'll never know, laughs in her face  
I'll never know this, shown age  
She's, that no one will wake  
Isn't it funny how little men care?  
Isn't it funny how little men care?
