

Tremendous Pain (Bobby D'Ambrosio's House Mix)

Yello

Oh baby, show me the way
To hell and heaven
Oh baby, how do you spell
Suite 907 And I say,
8, 6, 5, 4
Oh baby, I can't take it no more Play your melody, your tune is divine
Play your song, your beat is mine
Tremendous pain, Love, heaven, submission and more
Love, hell, in Suite 904 Stormy weather, heavy rain
No moon in the city
Shining streets, Friday night
No mercy, no pity I hide in my church, in Suite 909
Your word is my bible, your beat is divine
Suite 909 Love, heaven, submission and more
Love, hell, in Suite 904 You bless me with an easy touch
Your fantasy, I need it so much
I hide in my church, I float on the Nile
Your word is my bible, your beat is divine 8, 6, 5, 4
Oh baby, give me some more,
Tremendous pain Love, heaven, submission and more
Love, hell, in Suite 904 Tremendous pain
