Untitled Track

The Capitol Years

You

You

You are still a whisper on my lips
A feelin' at my fingertips
That's pullin' at my skin

You leave me when I'm at my worst
Feelin' as if I've been cursed
Bitter cold within

Days go by and still I think of you
Days when I couldn't live my life without you
Days go by and still I think of you
Days when I couldn't live my life without you
Without you
Without you

You are still a whisper on my lips
A feelin' at my fingertips
That's pullin' at my skin

You leave me when I'm at my worst
Feelin' as if I've been cursed
Bitter cold within

Days go by and still I think of you
Days when I couldn't live my life without you
Without you
Without you

Days go by and still I think of you
Days when I couldn't live my life without you
Days go by and still I think of you
Days when I couldn't live my life without you
Without you
Without you
Without you
Without you

Without you
