

# And Darling (This Thing That Breaks My Heart)

Tegan and Sara

Creep up and tell me that you  
You love me more each time you  
Look into my eyes I feel like I know you don't mean to be mean  
I'm sure you know the same for me  
When you creep up and tell me Darling  
It breaks my heart each time you  
Darling  
You break my heart each time you You slip your hands inside my pockets  
Tell me nothing else would do  
Without me you can't live and You slip your heart into my chest  
They both become one of the strongest pairs  
When strangers come And darling  
This thing that breaks my heart  
And darling  
You break my heart each time you Darling  
This thing that breaks my heart and  
Darling  
You break my heart each time you
