Damn Silence

Sunrise Avenue

Please, let me in
Feel the pulse inside
Raise the speed of the beat

Take a chance with me
A way towards something
No one knows whatâ€™s to come

And I donâ€™t know
The right tracks for this train
This is something I canâ€™t explain
Could you say something?

And I donâ€™t know
The right words I should say
I never felt anything this way
Canâ€™t you say something?
And break the goddamn silence

Why do we stay
Here in the pouring rain
We didnâ€™t make it to the last train

And Now itâ€™s up to you
I might be a tough call
We play the game to reach it all
