

Our Ghosts Gather

Death In June

even though we seem/ lost.
G / Em
our ghosts /gathering/, our ghosts /gathering
D / Em / D / Em
to take us hand in hand
G
to each of us our/ vices,
G / Em
but smugness in their /bones
D / Em
shall be grown to/ dust,/ grown to/ dust
D / Em / D / Em
birds of white/ feather,/ lie and cheat, but still,/together
A / C / D / A
But even though we seem/ lost.
G / Em
our ghosts /gathering/, our ghosts /gathering
D / Em / D / Em
to take us hand in hand
G
to each of us our/ vices,
G / Em
but smugness in their /bones
D / Em
shall be grown to/ dust,/ grown to/ dust
D / Em / d / Em
denial is control
A / C
the four winds, to disperse
D / A
part of, the here and/ now
A / C
where our, ghosts/ gather
D / A
where our ghosts/ gather
D / A
where are our ghosts
D
where are our ghosts
Deven though we seem/ lost.
G / Em
our ghosts /gathering/, our ghosts /gathering
D / Em / D / Em

to take us hand in hand
Gdenial is cont/rol
A / C
the four winds, to dis/perse
D / A
part of, the here and/ now
A / C
where our, ghosts/ gather
D / A
where our ghosts/ gather
D / A
where are our ghosts
D
where are our ghosts
D
where are our ghosts
D
where are our ghosts
