

Casual Affair

Panic! at the Disco

Hey, a casual affair
That could go anywhere
And only for tonightTake any moment, any time
A lover on the left
A sinner on the rightLay in the atmosphere
A casual affair (Hush-hush, don't you say a word)
Lay in the atmosphere
A casual affairBreak involuntary ties
A secret so the spies
Could never find us outStay for as long as you have time
So the mess that we'll become
Leaves something to talk aboutJust lay in the atmosphere
A casual affair (Hush-hush, don't you say a word)
Lay in the atmosphere
A casual affair(I did it, I did it, I did it... I did it again)Lay in the atmosphere
A casual affair (Hush-hush, don't you say a word)
Lay in the atmosphere
A casual affair
