Too Early (featuring Gary Clark Jr.)

The-Dream

You gave him all my loving
You gave him all my touch
You're leaving me with nothing
Not even a piece of mine
Uh baby, uh babyYou gave him all my pleasure
You gave him all my joy
You leave me with no aspirations
Your love I can't afford, ooh baby
Uh, uh, uh, babyMy heart's hurtin but the pills do
Car no, and the rent due
Know what you done
But I'ma be a fool
To be wise, to play it cool
So many things I could do to you
Black out, the cops come
Can't see me daughters, can't see my sons
When I come home undoneCause it's too early in the morning
To break love and then to make out
It's way late for pretending
It's time to stop now
I see my silhouette at the sunset with my top down
Top back see me ride, million dollar benz, real fly
Top down, gold watch, a hunned stacks band on my glock
Top back, see me ride, million dollar benz, real fly
Top down, gold watch, a hunned stacks band on my glockEven pretty girls get left too
Sugar honey, all the time
I used to love to undress you
Now I pay it don't never mind, ooh baby
Ooh babyGave you one year of sunshine
You gave me four years of rain
It's been 40 days and 40 nights
Soaking with pain
Ooh baby, ooh babyMy heart's hurtin' but the pills do
Car no, and the rent due
Baby girl, life's hard enough
You too fast, I can't keep up
So many things I could do to you
Black out, the cops come
Can't see me daughters, can't see my sons

When I come home undoneCause it's too early in the morning
To break love and then to make out
It's way late for pretending
It's time to stop now
I see my silhouette at the sunset with my top down
Top back, see me ride, million dollar benz, real fly
Top down, gold watch, a hunned stacks band on my glock
Top back, see me ride, million dollar benz, real fly
Top down, gold watch, a hunned stacks band on my glockCause it's too early in the morning
To break love and then to make out
It's way late for pretending
It's time to stop now
I see my silhouette at the sunset with my top down
Too late in the morning
To break love and then to make out
It's way late for pretending
It's time to stop now
I see my silhouette at the sunset with my top down
Top back, see me ride, million dollar benz, real fly
Top down, gold watch, a hunned stacks band on my glock
Top back, see me ride, million dollar benz, real fly
Top down, gold watch, a hunned stacks band on my glock
