

# You Don't Know

B5

You don't know what you do to me  
You don't know what you do to me  
    You don't know  
You don't know what you do to me  
    Between your eyes and your smile  
        Girl, you're killing me  
I was dreaming on how to get you to be mine, mine  
    You don't know what you do to me  
    Between your eyes and your smile  
        Girl, you're killing me  
I was dreaming on how to get you to be mine, mine  
    Girl, put something, a hundred and nothing  
Girl, where'd you get it from? How can I get me some?  
    Creamy like butter, makes me kinda wonder  
        If you was my girl  
        'Cause you're so fine  
Where you been, I ask myself why  
    I haven't made you my cutie pie?  
        There you go, driving me wild  
You don't know what you do to me  
    Between your eyes and your smile  
        Girl, you're killing me  
I was dreaming on how to get you to be mine, mine  
    You don't know what you do to me  
    Between your eyes and your smile  
        Girl, you're killing me  
I was dreaming on how to get you to be mine, mine  
    We can just kick it, maybe just fix it  
    Be on a holiday, make a wish, I'll make a way  
    When we get older, always have my shoulder  
Be there when you need a friend, I can be your everything  
    'Cause you're so fine  
Where you been, I ask myself why  
    I haven't made you my cutie pie?  
        There you go, driving me wild  
You don't know what you do to me  
    Between your eyes and your smile  
        Girl, you're killing me  
I was dreaming on how to get you to be mine, mine

You don't know what you do to me  
Between your eyes and your smile  
Girl, you're killing me  
I was dreaming on how to get you to be mine, mine  
You don't know what you do to me  
You don't know what you do to me  
You don't know what you do to me  
You don't know what you do to me  
'Cause you're so fine  
Where you been, I ask myself why  
I haven't made you my cutie pie?  
There you go, driving me wild  
You don't know what you do to me  
Between your eyes and your smile  
Girl, you're killing me  
I was dreaming on how to get you to be mine, mine  
You don't know what you do to me  
Between your eyes and your smile  
Girl, you're killing me  
I was dreaming on how to get you to be mine, mine  
You don't know what you do to me  
Between your eyes and your smile  
Girl, you're killing me  
I was dreaming on how to get you to be mine, mine  
You don't know what you do to me  
Between your eyes and your smile  
Girl, you're killing me  
I was dreaming on how to get you to be mine, mine
