

# Rise Up

## Echoing Angels

Every thing's about to change  
Watch my past just fade away  
And the choice is mine for me to make  
I have the strength to turn and say I don't wanna be the one who falls so  
I'll rise up, I'll rise up  
Even when it seems my faith is small  
I'll rise up, I'll rise up for You What's my life supposed to be?  
Every thing's confusing me  
I'm not holding on to the way I feel  
I'm letting go for something real I don't wanna be the one who falls so  
I'll rise up, I'll rise up  
Even when it seems my faith is small  
I'll rise up, I'll rise up for You I stopped living a lie  
Stopped running away  
Put my fears behind me  
Just to be where You are I don't wanna be the one who falls so  
I'll rise up, I'll rise up  
Even when it seems my faith is small  
I'll rise up, I'll rise up for You Yeah, I'll rise up for You  
Yeah, I'll rise up for You, You  
I'll rise up for You, You  
I don't wanna be the one who falls  
I don't wanna be the one who falls
