

Better Things

Memphis May Fire

Growing pains, becoming who I was made to be.
I try to walk away but all my mistakes keep chasing me.
I fall down when I'm alone and temptation is on display.
All these stains, they cover me.
Memories that won't go away.
But you say you'll carry my weight.
Through the storm, cover my mistakes.
You say to never be afraid and hold onto the promises you made.
I ran but you always chased me.
I see you in my dreams.
You are the air I breathe and all the walls that I built are breaking.
So now I see that you're leading me onward to better things. I've seen the evidence.
I've watched my heart change every day.
Believe me when I say this will never ever be easy
But I have seen and I believe.
You hold my heart while it's breaking.
I ran but you always chased me.
I see you in my dreams.
You are the air I breathe and all the walls that I built are breaking.
So now I see that you're leading me onward to better things. You never failed me.
I fell away but you never left me.
You never left me.
Temptation come my way.
I am stronger now than I have ever been.
Temptation come my way.
I am stronger now than I have ever been!
Temptation come my way.
I am stronger now and I am not afraid!
I am stronger now and I am not afraid.
You lead me to better things.
Temptation come my way because I am more than my mistakes.
I ran but you always chased me.
I see you in my dreams.
You are the air I breathe and all the walls that I built are breaking.
So now I see that you're leading me onward to better things. You never failed me.
I fell away but you never left me.
You never left me.
